

Colliers success with 2017 instructions

To date, we have saved clients over £200m

despite the issues with Check, Challenge, Appeal. What can we save you?

Contact us now to find out how we are finding ways to work with the system.

Resource & Mobilisation

✓ Check ✓ Challenge ✓ Appeal

Tribunal

Check

- Verify details
- Submit application for the client
- Make contact with the VO
- Provide frequent updates to the client

Challenge

- Obtain relevant information and build a case and valuation
- Serve proposal
- Ensure deadlines are monitored and regularly report VO progress to the client
- Negotiate and report to client monthly in appropriate format

Appeal

- Serve appeal within deadlines
- Report to client on issues and angles
- Present case and provide regular updates to the client

How Colliers International can help:

- > Rateable Value appeals to ensure that costs are reduced
- > Survey, research and negotiations with the Valuation Office all carried out free of charge
- > Fees only payable when successful in reducing costs
- > Identify other avenues for reducing business rates costs where appropriate
